Rehab-Woodward-1
DATE: **January 30, 2019**

REMINDER: This addendum must be acknowledged, signed and returned with your bid. Failure to comply will result in disqualification of your submittal.

I. ADDITIONAL SPEC INFORMATION

FOR BID: DO to oversite and requests that were made by homeowner during pre-bid walk thru of site, please include the additional information when calculating your bid for this project. This has no effect on the due date of February 15th, 2019 at 2:00 pm.

Item #1 - Replace 13 windows, up to current code, and 1 additional window in rear bedroom to be closed in with blocks, beside the door that is to be blocked in as well. (this changed from 12 windows to actually 14 windows that will be effected)

Item #2 Fascia and Soffit to be repaired as needed (originally just fascia was addressed)

All else on original write up remains the same.

II. Give Second Bid price that would include all windows replaced to current code and replacing rear garage entry door with new door and frame.

This information must be submitted with your proposal along with the original bid sheets.

This addendum supersedes any verbal or other instructions given to any proposer qualified to respond pursuant to the requirements set forth in the RFP document. All other parts of the RFP have been maintained as originally distributed.

Acknowledgment is hereby made of Addendum #1 to RFQ # RFP #2018-DPA-Rehab-Woodward-1
